EXAMINER'S COMMENT

Reasons for Allowance

1. Claims 17-27 are allowed.

2. The following is an examiner's statement of reasons for allowance:

The prior art fails to disclose or render obvious the claimed combination including detecting knock in a selected one of the multiple cylinders when a detected and produced knock signal of the selected cylinder exceeds a reference level wherein the reference level changes as a function of a sound level of the internal combustion engine, wherein an increase of the reference level is limited in consideration of a sound level of another one of the multiple cylinders or a sound level of all cylinders.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
